She is one of our Pre-K Paraprofessional who provides classroom teaching assistance such as reinforcing skills and administering make-up tests etc. She assists the teacher with academic instruction and classroom activities; prepares and disseminates materials for classroom activities. She demonstrates the ability to perform remedial instruction or tasks to reinforce learning initiated by teacher and has the ability to observe and assist individual students that are experiencing difficulties. She has a pleasant demeanor and is willing to lend a helping wherever she sees a need. We are so proud to have Mrs. Garvin as a part of our family.
