Estill High School – Synetria Hawkins, Principal

This month we have been encouraging our students to read through our AR (Accelerated Reader) Competition. Our Instructional Coach, Mrs. Willa Turk-Domio, created a plan to motivate our high school students to read by gathering donations in the form of monetary gifts to spark their interest. Our students have accepted the challenge and our list of winners increases daily! Our students would like to say thank you for all the support given towards this incentive.

Thank you Mrs. Goodman for supporting Estill High School. Everyone can have a chance to win, so I think it's great for you to take the time out for us and give us little gifts. I think that all students should be grateful for people like you.

Thank You!!

*If you're reading this I hope you have a good day.
